# SPONSORSHIP OPPORTUNITIES

ESCoP 2022 will be held in Lille (France), from 29 August to 01 September 2022 in the Lille Grand Palais convention centre, in the heart of the city.

ESCoP (European Society for Cognitive Psychology) is a biannual scientific event that explores, presents and discusses the new achievements in the field of Cognitive Psychology. Since its inaugural meeting run in Nijmegen on September 1985, the ESCoP conference has been organized every two years in different European locations. In 2022, the edition is hosted by the Cognitive & Affective Science laboratory (SCALab) from the University of Lille.

We propose a special sponsorship plan for those who wish to promote their company and products in most prominent ways during one of the best known international conferences on cognitive psychology, where hundreds of outstanding researchers will pay attention to your brand.

- Organizing committee: Yann Coello, Gwendoline Mahe and Jeremie Jozefowicz, from SCALab - University of Lille.
- More than 600 delegates are expected: Professors and Researchers, School and University students, Teachers and Educators, Physicians and Clinicians, Institutional managers, Companies and Start-ups managers.
- The conference language will be English.
- ESCoP 2022 is a dedicated opportunity to:
  - **Promote** your services and/or products;
  - **Distinguish** yourself from competitors by being involved in state-of-the-art research and innovation;
  - **Prospect** for new clients.
- The ESCoP 2022 organizing committee invites you to advertise and sponsor this event. Becoming a sponsor is possible by purchasing specific event/service sponsorship items.
- Many sponsorship opportunities are available and some of them can be co-sponsored. Note that given the evolution of the COVID crisis, conference format and sponsorship opportunities could evolve.
  - Program booklet, book of abstracts, conference bags and badge holder with lanyard will have the printed logo of the respective sponsoring company.
  - The sponsors of the events (coffee breaks, lunches, welcome reception, gala dinner...) will have their logo displayed at the event sponsored. Moreover, each sponsor will be mentioned in the conference program and in the website.
  - Exhibitors are essential to a successful international conference. To enable you to fully and easily interact with up to thousand participants, we have designed three Exhibitors Packages.
- The sponsors will have to provide a high-resolution logo of our company to ESCoP 2022 organizing committee.

Organized with the support of:
